Rev. 10/2025

Pediatric Patient Instructions

- 1. Please bring your Alberta Health Card along with your requisition form to your appointment.
- 2. Stay on prescribed medications. Diabetics should discuss possible stoppage or reduction of insulin with their physician.
- 3. Please bring an adult to supervise any other children.
- 4. Kindly arrive 15 min before your appointment & call (24 hours prior) if you are unable to keep your appointment at 403-726-9729.
- 5. If you are late for your appointment, your exam may have to be rescheduled.
- 6. Please advise us of any mobility limitations and any special instructions for your child
- 7. Please avoid the use of fragrances as other patients may be sensitive.

Pediatric Preparation Instructions

PLEASE NOTE, EXAM PREPARATION IS ESSENTIAL IN ORDER TO COMPLETE YOUR EXAM

ABDOMEN/LIVER ELASTOGRAPHY/RENAL DOPPLER

Infants and children less than three years: No food or liquids 3 hours before to appointment.

Children 3 and over: No food or liquids 6 hours before your appointment.

COMBINED ABDOMEN AND PELVIS

Fasting is **not** required. Infants and children who **ARE NOT** toilet trained, no preparation is required.

Children who are toilet trained require a full bladder for this examination.

For children up to 10 years: If toilet trained, please drink and finish two glasses of water/clear juice 1 hour prior to appointment.

For children 11-13 years: Please drink and finish three 8oz glasses of water/clear juice 1 hour before your appointment.

Children 14 years and older: Please drink and finish four 8oz glasses of water 1 hour before your appointment.

KIDNEYS AND BLADDER/PELVIS

Fasting is **not** required. Infants and children who **ARE NOT** toilet trained, no preparation is required.

Children who are toilet trained require a full bladder for this examination.

For children up to 10 years: If toilet trained, please drink and finish two glasses of water/clear juice 1 hour prior to appointment.

For children 11-13 years: Please drink and finish three 8oz glasses of water/clear juice 1 hour before your appointment.

Children 14 years and older: Please drink and finish four 8oz glasses of water 1 hour before your appointment.

PEDIATRIC PYLORUS

Nothing by mouth for 3 hours prior to your appointment. Please bring a bottle of clear fluids to your appointment (water, sugar water, or sterile water) as it will be required for the exam. If infant is breastfed, breast milk in a bottle is acceptable.

X-RAY EXAMS

X-Ray exams are provided on a walk-in basis. No appointment necessary. Please note there may be longer wait times from 11:30-12:30 due to the lunch hour. Additionally our Crowfoot and Macleod locations both close for X-Ray over the lunch hour. To respect the time of patients and our staff, we may have to cut off x-rays at the end of the day. We apologize in advance if we are unable to accommodate because we have patients already checked-in that we need complete before we close. Thank you for your understanding.
